SPECIAL ASSISTANCE

If you would like assistance navigating the park, or have questions about accessibility, simply ask for a park supervisor when you arrive. In most cases, this assistance will not include lifting or carrying of guests. Map routes do not include ride access. All day escorting is not provided. Wheel chair rentals are not available.

PARKING

Designated parking for vehicles with handicapped license plates is provided near all entrances.

RESTROOM FACILITIES

Restroom facilities for disabled guests are provided at the following locations:

- Next to Customer Service, near the Castle entrance
- Next to Pizza Parlor inside the arcade
- Next to Gator Grill
- Next to Customer Service at Surfenburg
- Inside the Blastenhoff entrance
- Inside the Rapid's Pavilion at the Resort at the Rapids

DRINKING FOUNTAINS

There are wheelchair accessible drinking fountains throughout the park.

WHEELCHAIR ACCESS

Guests with wheelchairs may be admitted to the park at various entrances:

The Original Schlitterbahn

- Castle Entrance for access to most areas except the Lagoon pool area
- Wave Fest Entrance for access to most areas except the Lagoon pool area
- For access to the Lagoon pool area, guests in wheelchairs can enter through the Lagoon service gate – the supervisor in that area will provide assistance

Blastenhoff & Surfenburg

- Blastenhoff entrance for access to most areas
- Surfenburg Entrance for access to most areas except the Boogie Bahn area
- For access to the Boogie Bahn area, a supervisor can assist guests in wheelchairs from the paved parking lot adjacent to the Boogie Bahn

SERVICE DOGS

Service dogs will be admitted with their masters. They are permitted in all areas of the park, but may not accompany their masters on attractions.

RESORT ACCOMMODATIONS

There are rooms at Schlitterbahn Resort at the Bahn which are accessible by wheelchair. Assistive devices for the hearing impaired are available upon request.

TRANSPORTATION BETWEEN AREAS

Trams and buses run between the Original Schlitterbahn entrance and the Surfenburg Entrance continuously. One tram is equipped with a wheelchair lift to transport guests between the Original Schlitterbahn and Blastenhoff/ Surfenburg sections of the park. Wait in the tram boarding area for the vehicle to arrive.

ATTRACTION RATING

All rides are coded and marked with an attraction rating. This rating is designed to inform guests about the ride and skills required. Look at each attraction and decide if you and/or your children can safely participate. You are the best judge of your limitations.

- Low speed and/or shallow water attractions with passive water fun for those who want to get wet and relax. These attractions are suitable for supervised youngsters, seniors, handicapped or partially health-limited guests.
- Moderate thrill rides and/or water depth to 48 inches. These attractions are suitable for supervised inexperienced riders, beginner swimmers or partially handicapped guests. Some rider control and maneuvering is required.
- ▲ Aggressive ride action with deep water or moderate-to-high speeds, requiring rider control and/or strong swimming skills. Physical activity may be strenuous. For in-shape guests with no medical restrictions.
- ◆ High thrill and/or deep water attractions that can be stressful to those who fear high speeds, heights, or enclosed places. These rides require great rider control, swimming skills and/or physical condition. Do not use if you have any health limitations.
